COMPETITION PURPOSE

The Web is the most transformable invention of our time. This competition features the creation of high-quality, well-designed and original Websites, while seeking to identify and encourage future talent in this area.

INSTRUCTIONS: DESIGNING YOUR WEBSITE

You may use or modify the images, text, and other components of this website, or create your own (design, or images). Teams caught using the internet to access web content (images, text, email, templates, premade codes, etc.) will be automatically disqualified. So please be aware of the repercussions if you are caught on the internet.

CHEATING

The use of any template, generating wizard, content management system (e.g. drupal and joomla), premade designs, built-in template, or any other template type from the Internet or any other source is strictly forbidden. Teams caught will be considered cheating and disqualified. However, they can be viewed for inspiration.

Teams will not be allowed to use the internet during the competition. No Email! No google!

It's recommended that each team tests the functionality of their individual website before uploading their final copy.
