**Course Description**

Concepts of information systems, business process, hardware, software, systems analysis, e-commerce, enterprise systems and computer applications in organizations, techniques of systems analysis, systems designs, implementations, and information management (both technical and behavioral) are studied in the organizational context of management information needs.

**Text, Readings, and Collaborative Conferencing System**

- Notes & Articles: Included in the Moodle Forums
- Moodle for assignments- [http://Moodle.njit.edu](http://Moodle.njit.edu)

**Course Objectives**

The course intends to build a wide range of analytical, communication, interpersonal, leadership, and technology skills. Students will be able to:

- Explain the technology, people and organizational components of information technology / information systems (IT/IS) from the perspective of business users and managers.
- Understand how organizations can use IT/IS for competitive advantage.
- Explain how enterprise-wide information systems support business activities and enable a comprehensive understanding of company data.
- Understand information systems development and management issues.
- Discuss the ethical concerns associated with information privacy, accuracy, intellectual property rights, and accessibility.
- Recognize when information is needed, locate it efficiently, evaluate its relevance, authoritativeness and validity, use it to build new knowledge, and communicate that knowledge.

**Participation**

Your participation in classroom discussions is expected, if you do not attend class or do not notify me of your absence before class, it will affect your participation grade. Both attendance AND participation, as well as on-line discussion boards will contribute to the participation grade.
Attendance, Absence and Lateness Policy

You are expected to attend every class if you will not attend a class you should notify me that you will not be attending and the following guidelines apply:
If you are absent three (3) times you will have your grade lowered by **ONE** Letter grade.
Six (6) times and your grade is lowered by **TWO** letter Grades.
Nine (9) times you will be given an “F”.

Medical Excuses need to be reported to the Dean of Students and they will decide if it is to be excused or not.

Honor Code

Any evidence of cheating in any form including plagiarism and cutting & pasting from the Internet, will be dealt with according to the honor code of NJIT (course failure and suspension or expulsion). Please note: There will be no warnings or chances with regard to cheating. Any discovered case of cheating will be immediately passed to the Dean of Students for further investigation.

*This is your warning now.* Cheating is not worth it - you may not only fail this course, but also be suspended from NJIT. The full text of the NJIT Honor Code is available for your review at [http://www.njit.edu/academics/honorcode.php](http://www.njit.edu/academics/honorcode.php).

**General Policy:** Assignments and exams are to be completed with assignments uploaded to Moodle by the due dates. You must have a very good reason for requesting an extension—email your request to the instructor well before the due date.
